Welcome to VisitDenmark at the Scandinavian Stand at WTM 2007

It is a great pleasure to welcome you to our stand – EM5020B – at this year's World Travel Market at ExCeL.

Denmark has never been more accessible from the UK with direct flights to no fewer than five airports, four of them in Jutland. This opens up the whole country, and offers great holiday opportunities.

Our partners on the stand come from all over Denmark, and WTM is the ideal forum for you to meet and discuss business opportunities with new suppliers, as well as to strengthen your working relationship with existing partners and colleagues. Greenland is well-represented, and Faroe Islands Enterprise is joined on the stand by Atlantic Airways.

On the following pages, you will find information about the 24 companies present on our stand as well as a list of events that take place in Denmark during 2008.

Come and join us at WTM for a truly Danish experience that will inspire you to learn more about the unique experiences that our partners are able to provide.

Together with Finland, Iceland, Norway and Sweden we are hosting an informal party on the stand on Monday 12th November, from 18.00-20.00, and we hope you will join us.

Kind Regards,

VisitDenmark

Mr. Henrik Kahn
Director – UK & Ireland
