

ICS – International Conference Services & Motivational Events

A GLIMPSE OF COPENHAGEN – 2 DAYS

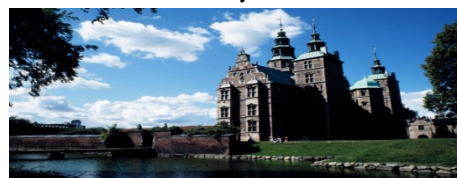

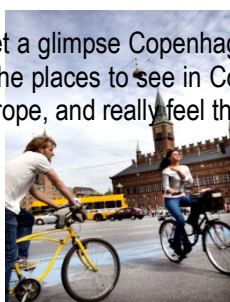

Arrival at Copenhagen Airport, meet and greet at the airport and with private transfer to hotel

Hotel Kong Frederik

First Hotel Kong Frederik is one of the city's most classical and historic hotels with a prime location close to the Town Hall square, Tivoli Gardens and boutique shopping. The hotel has throughout the years been the choice of international performing artists and legendary Danish poets. In April 2010 First Hotel Kong Frederik opened the doors to a refurbished hotel that offers the same legendary Townhouse atmosphere as before.

After check in at the hotel, we will go out and get a glimpse Copenhagen from a bicycle. Copenhagen is one of the best cities to bike in. On the tour we will spot out all the places to see in Copenhagen, a guide will show us around. Then we will visit Tivoli, the oldest amusement park in Europe, and really feel the romanticism of the city in the veins.

The dinner will be an authentic Danish dinner in Tivoli, here one will experience being part of the Danish culture and of course the high cuisine Denmark has been known to have these last few years.

Danish Olympics – great Team building

Next day the experience of being a Dane comes even closer: we will involve you in various typical Danish activities such as smørrebrød (Danish open sandwiches) preparation, Danish pastry making or Danish chocolate workshop, “build a bike”, write a fairy tale following the big maestro H.C. Andersen, design your chair and last but not least beer tasting from local micro breweries. All of these activities have to be carried out within a given time limit and competing among each other secures that fun is definitely guaranteed!

Afternoon of shopping and transfer to the airport.
